Apps, Responsive Design, User Experience and User Interface
designs using ReactJS, NodeJS, Redux, CSS and HTML

Experience

Google Developers
DSC Lead
August 2020 - Present (2 months)
Kampala, Uganda

Andela
Freelance Contributor
May 2020 - Present (5 months)
Kampala, Wakiso, Uganda

Working as a contributor to the kyakulya app. A mobile Web platform that
links farmers and suppliers to consumers without the need of a local market. I
also fetches and pools data of different prices of commodities in the local food
markets so that farmers and suppliers make the best decisions of where to
take their produces.

Education

freeCodeCamp
Certificate in Responsive web design, Computer Software
Engineering · (2019 - 2019)

Bugema University
